

Andy Cherry has served local churches throughout his pastoral ministry for the last 35 years. Having served at one of these churches as a Pastoral Counselor, he saw first hand the need for counseling among God's family. However, his training in the field of counseling lacked an essential ingredient; leading people towards a cure which was biblical repentance. Now through the ministry of KLS/Life Change, it is his desire to see churches offer people biblical counseling with the Bible as its core and biblical repentance as that missing ingredient so needed in the body of Christ today.

Andy is the Texas connection of the ministry, working with pastors and churches in the Houston area as well as the state. He has a M.Div from Southwestern Baptist Theological Seminary and serves as a KLS missionary/pastoral advisor/ trainer.

He and his wife Brenda have been married for 31 years and has two sons, Andrew and Brandon.
